Kings Langley Surgery

# Newsletter

## Special points of interest:

### Organ Donation

from Spring 2020 over the age of 18yrs (with some exceptions) will need to **opt out** of the register. Please see [www.organdonation.nhs.uk](http://www.organdonation.nhs.uk)

## COVID-19 Vaccination

**As part of the Dacorum Invitation Group invites have now been sent via text or telephone call to groups 1-4. Unfortunately some telephone numbers are incorrect on our system as we have not been updated with new details.**

**If you have not received an invite and are in one of these groups please contact the surgery**

### *Carers Champion Support*

*We are pleased to announce that from 3rd February 2021 we are offering telephone appointments for any carer registered with our surgery for help, support or signposting*

Please call Kings Langley or Longmeadow to book one of these appointments

**Armed Forces veteran friendly accredited GP practice**

To all our service personnel and veterans/ex-veterans we are pleased to announce we have a dedicated partner GP, Dr P Natarajan to assist with any medical or non-medical issues. This service is available for our registered patients but also for any patients registered in Dacorum we can help on a temporary basis.. Please visit our website or call for further details
